DETAILED ACTION

Claim 17 has been cancelled. Therefore, claims 1-16 and 18-20 are pending in this application. **Claims 14 and 18-20** are withdrawn from further consideration by the Examiner, **37 C.F.R. § 1.142(b)**, as being drawn to a non-elected invention. The withdrawn subject matter is patentably distinct from the elected subject matter as it differs in structure and element and would require separate search considerations. In addition, a reference, which anticipates one group, would not render obvious the other.

Rejoinder

1. Pursuant to the procedures set forth in MPEP § 821.04(B), claims **14 and 18-20** directed to the process of using an allowable product, previously withdrawn from consideration as a result of a restriction requirement, is hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **the restriction requirement as set forth in the Office action mailed on 06/09/2009 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a phone conversation with **Susan A Wolffe** on **May 20, 2010**.

The application has been amended as follows:

Delete claim 18.

In claim 19, line 2, Delete "inflammatory disease,"

In claim 19, line 3, Delete "angiogenesis-related disease,"

REASONS FOR ALLOWANCE

The argument and remarks filed on **February 12, 2010** were fully considered and entered into the application. In regards to 35 U.S.C. 112, 1st paragraph rejection of claims 1-13, 15 and 16, Applicants amended the claim by deleting the terms " hydrates and solvates" from the claims, rendering the rejection moot. Therefore, **claims 1-16 and 19-20 are allowable.**

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
